TUITION ADJUSTMENT ADVISORY NOTICE

Understand that if the courses you are adding cumulatively total more than 18 credit hours, regardless of drops, you will incur additional tuition charges.

Example: You are initially enrolled in 15 hours. After semester registration closes, you drop 1 hour and add 3. Your cumulative total is 18. No additional charges apply. At mid-term, you drop 3 and add 2. Your cumulative total is now 20. Your tuition will be adjusted and you will be charged for the additional 2 hours. NOTE: Financial aid, including scholarships, may not cover additional tuition charges.
